SHARING THE FREEDOM OF CHRIST WITH A WORLD IN NEED

As I write this, I am so amazed at the power of God. I am so amazed at His faithfulness to complete what He has begun.

In March, God began to give tangible answers to our prayers for direction in fundraising. He led us to build a core group of partners who would lift us up not only financially, but in prayer. We all began to pray in agreement for a breakthrough, and we have begun to see it. From March to April, over \$12,000 in cash has come in, as well as several new monthly pledges!

God has been challenging us to believe Him, no matter what our physical eyes see. One morning as Sarah was having her devotions, God put the number 5,000 into her head. She knew in her heart that God was telling her to believe him for \$5,000 that day. The day came and went, but the \$5,000

didn't come. Sarah still believed that God intended to give us \$5,000. She wrote it in her journal and told everyone about it. Finally, four days later, an anonymous check was sent to the church in the amount of \$5,000! God still performs miracles when we believe Him!

We have also heard stories from some of our partners, relating how God is challenging them to step out in faith and give sacrificially. One couple felt led to give their tax return. They are seeing the fruit that comes from obedience in their family's life.

We have also had opportunities to speak and sing at different churches in the area, and it has been a blessing to watch God put an interest and an urgency in people's hearts for this project.

We are so excited to see the Lord working in our lives and in the lives around us. We still need new partners. We cannot begin our visa process until our monthly budget is at 80%. Josh's job ends at the end of July and we will be without income until we get to the field. We need to get to the field! With your help, we will get there. Thank you to everyone for your prayers and support!
